### **Summary**

Has worked to overcome obstacles to become a full stack developer graduating from University of Utah's boot camp near the top of the class, earning him a full-stack developer certificate with a background in Industrial/Organizational Psychology. He has studied diligently to learn and implement React, Redux, and GraphQL. He implemented all three of these in a project called Rolodeck where he worked with a team and implemented GraphQL for the entire project, programmed a QR scanner in React, and implemented Redux for easily transferable data.

### **Technical Skills**

React, Redux, Node.js, Express.js, MongoDB, MySQL, GraphQL, Git, TDD, OOP, ORM, PWA, Webpack, Media Queries, APIs, MVC, REST, jQuery, SQLite, JavaScript, HTML5, CSS3, Bootstrap, Heroku, Materialize

### **Applications Built**

#### **Rolodeck**

- A practical application for customers to easily scan and store business cards to their phones
- React/Redux front-end with GraphQL and MongoDB back-end
- Acted as Team Member and Full-Stack Developer
- <https://github.com/TRemigi/Roll-a-Jazz>

#### **Swap-Squad**

- An eCommerce platform to trade unwanted items
- Handlebars.js frontend with REST and MySQL back-end and an MVC file structure
- Acted as Team Member and Full-Stack Developer
- <https://github.com/parkerrobison/swap-squad>

#### **D&D Initiative Tracker**

- An initiative tracker interface with a low learning curve for D&D players
- jQuery, HTML, CSS
- Acted as Team Member and Front-End Developer
- <https://github.com/JohnNielsen1221/dd-initiative-tracker>

### **Experience**

Loan Forgiveness Manager, May 2020 - Present

Lendio Inc., Lehi, UT

- Aided hundreds of small business owners to get PPP funding and hundreds more to get forgiveness for those loans by utilization of CMS and interpersonal communication

### **Education**

University of Utah Web Development Bootcamp, Graduation: October 2020

Online Course

- Maintained a grade of 98.7%

#### **Data Analyst Nanodegree, Graduation: September 2019**

Udacity, Online Course

- Certificate of Completion of Data Analysis Courses

#### **Bachelor of Science in Psychology, Graduation: December 2018**

Brigham Young University-Idaho, Rexburg, ID
